

**Application Form for the Access to Education, Bridge to Employment Program Bursary
Sponsored by Johnson & Johnson**

The Access to Education, Bridge to Employment partnership consists of the Johnson & Johnson companies based in Cork, Munster Technological University, University College Cork, Business in the Community, Cork ETB, Junior Achievement and three second level schools in Cork. The program is aimed at encouraging and assisting students to progress to further education and third level education.

A Johnson & Johnson Bursary will be awarded to one successful student applicant in your school who progresses onto Further Education or Higher Education. The successful candidate will be notified in early October 2024. The successful candidate will receive a bursary for 3 years while in College.
